

# City of The Village Recycling Program

The City encourages all residents to recycle. Recycling is one of the most important steps you can take to protect the environment. We provide twice a month, single-stream curbside recycling with the RecycleBank rewards program. Single-stream means that all recyclables can be placed in the container with NO sorting. Recycling saves raw materials and landfill space which can greatly reduce landfill costs. To register for your rewards, go to [www.recyclebank.com](http://www.recyclebank.com) or call 1-888-727-2978.

## **What can I recycle?**

## **How to participate:**

You can recycle without signing up for rewards. However, if you want to earn rewards, you must register with RecycleBank either by going to [www.recyclebank.com](http://www.recyclebank.com) or calling 1-888-727-2978. Questions about your reward points must be directed to RecycleBank.

Enclosed in this packet you will find a map and a calendar. Look on the map to find your area and pick up day, then go to the calendar to find which days (highlighted in green) of the month you are to put your recycle cart out.

Be sure to keep the lid of your recycling polycart closed to prevent the materials from blowing away or getting wet. **Also, please rinse out containers before placing items in the recycling polycart.** Any items other than the ones listed above will not be dumped and you will not receive your reward points.

The recycling polycart should be placed in front of the residence at the CURB by **6:00 a.m.** on the day of collection. Residents can put the recycling polycart out the night before pick-up.

The recyclable materials will be picked up twice per month by Waste Connections, Inc., the same company that handles the regular trash. All comments and service requests should be made to The Village City Hall (405) 751-8861 ext. 255.
