EASTBOUND LANE OF HEFNER TO BE RESURFACED

Please Pardon Our Progress!

Curb and gutter replacement is expected to begin this week on Hefner Road between **Pennsylvania Avenue and Lakeside Drive**.

After that, The Village side of Hefner Road, which consists of the two eastbound lanes, will be **milled and resurfaced from Pennsylvania Avenue to the City Limits, which ends west of Lakeside Drive**.

Oklahoma City plans to resurface their side of Hefner Road sometime thereafter.

The entire (The Village) project is expected to be completed **in approximately two to three weeks**, hopefully less.

Two-way traffic will be maintained on Hefner. Access for all businesses and residences will be maintained, **except for short periods when work and safety require.**

This is the last one and a half miles of resurfacing to be done this year for a total of about 13 miles. We apologize in advance for any inconvenience and please bear with us as we get this last project done.

Drivers are asked to avoid detouring through residential neighborhoods.
