

VINEYARD BOULEVARD CONSTRUCTION: Wynn Construction is scheduled to begin work on Vineyard Boulevard starting on Monday, November 14th.

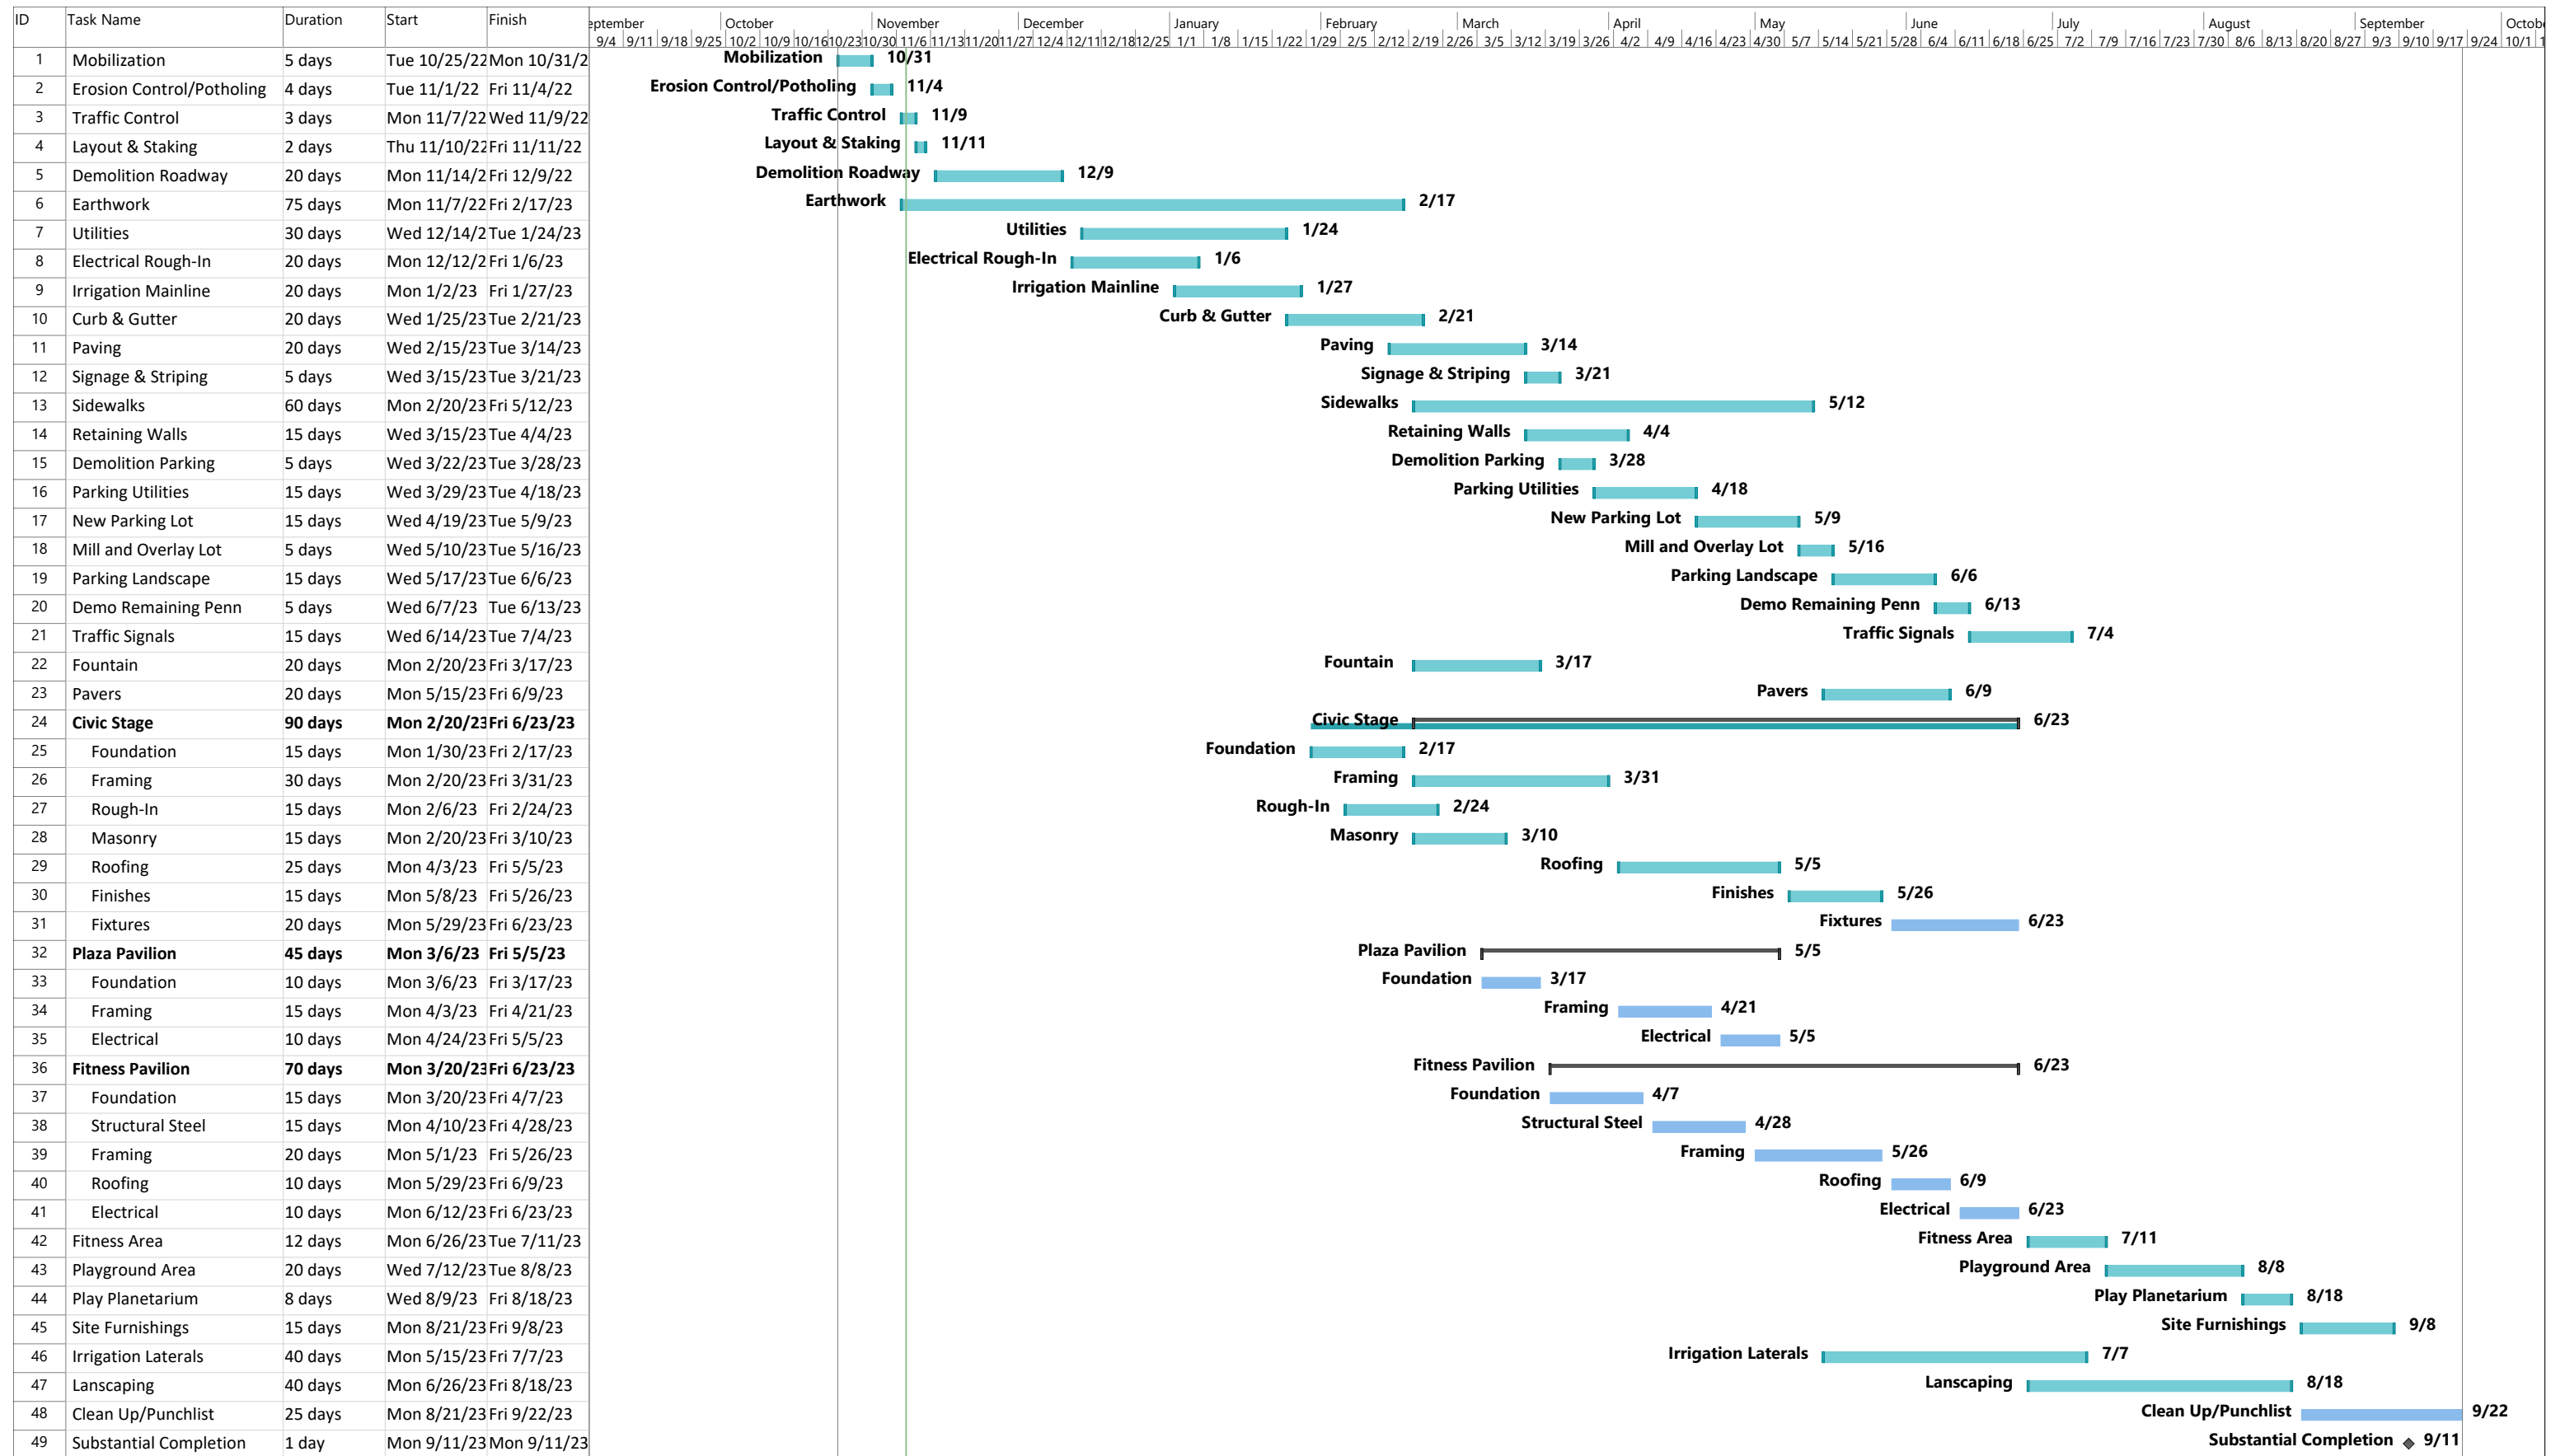

The work will involve the removal of the center median and both eastbound lanes of Vineyard Boulevard from Manchester all the way to Penn. Unfortunately, this will be somewhat messy and an inconvenience to residents who live in the area, especially those who live in Hawthorn.

The contractor will maintain traffic in and out of Hawthorn Drive but there might be occasions where only one lane in an out will be available. It might also be a little rough driving over the temporary surface.

As for residents who live in Hawthorn Section 2, west of the channel, the contractor will try to restore access onto Vineyard Boulevard from Kingston Way as soon as possible, but Kingston Way will have to be closed for a period of time and residents will have to use Bald Cypress to go in and out of the neighborhood via Finley Drive.

Construction on the street and intersections will take an estimated 6-8 weeks to complete. As always weather can change construction timelines.

We apologize for the inconvenience and ask for your patience as we work to improve our great city.
