

A Program of TSET

The City of The Village has adopted state laws regulating Smoking in Public Places. It is unlawful to smoke or vape on any city-owned property as follows:

- All buildings and other property, including, without limitation, Indoor areas, Outdoor areas, and Recreational areas, vehicles and equipment, owned or operated by the City, TVDA, and VPWA shall be entirely Smoke & Vape free.
- Smoking and the possession of lighted tobacco in any form are prohibited in all buildings and on all property owned or operated by the City, TVDA, and VPWA, including, without limitation, Indoor areas, Outdoor areas, Recreational areas, vehicles and equipment.
- The prohibition on smoking described herein **shall not apply to public streets, rights-of-way, and sidewalks..**
